

LANGHAM HOTEL LOBBY VIC INTERIORS

The Lobby of the Melbourne Langham Hotel is one of the grandest spaces of any hotel in Australia, ascending through three richly designed levels up the hotels grand staircase, linking arrival, reception, and the main hotel lounge, restaurant, and bar spaces.

The Lobby exudes a rich and elegant grandeur and provides legible and welcome sense of arrival for guests and visitors alike. Finishes, furniture, lighting, and artwork, together with careful detailing of built in items have ensured the most sophisticated and beautiful of 5 star hotel environments.

The Buchan Group worked in association with Ennis Design.

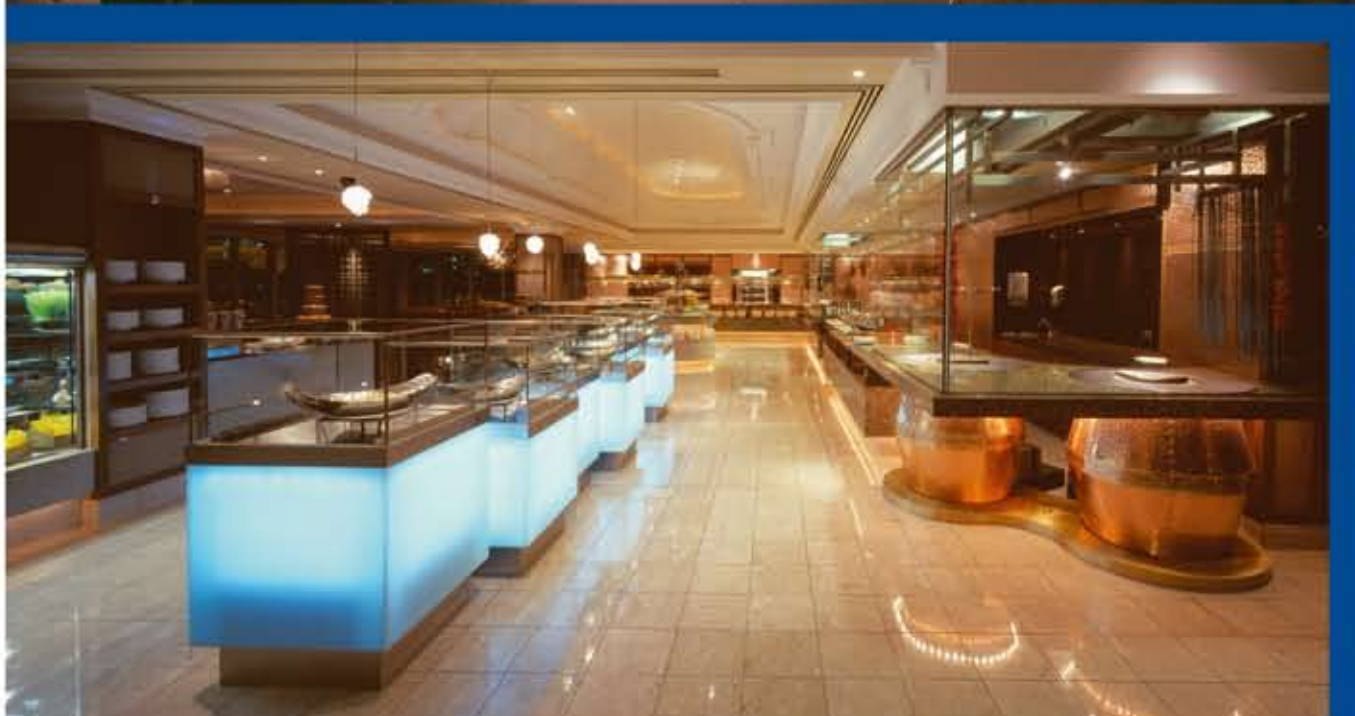

CLIENT: Langham Hotel
VALUE: \$2.5M
COMPLETED: August 2006

LANGHAM HOTEL MELBA RESTAURANT VIC INTERIORS

Refurbishment of Melbourne's Langham Hotel included the Melba Tisane Restaurant and Aria Cocktail Lounge, as well as the Lobby and the Presidential Suite.

Extensive use was made of elegant, rich finishes and exotic veneers, creating a warm and inviting ambience in the restaurant and cocktail lounge and maintaining the classical grandeur of the lobby and Presidential Suite. All furniture is of the highest quality and is complemented by artworks and lighting. The Buchan Group worked in association with Ennis Designs.

LANGHAM HOTEL PRESIDENTIAL SUITE VIC INTERIORS

The design for the presidential suites of the Langham Hotel Melbourne is of a rich understated elegance which befits this the grandest of suites in this premium Melbourne 5 star hotel.

The furniture, artwork and finishes have all been designed to the highest level of quality and opulence, yet at the same time these elements also reflect a character which is warm and inviting, spacious and comfortable. In particular great care was exercised in the design of the specialist lighting, sound and IT systems provided.

The Buchan Group worked in association with Ennis Design.
