

MON RÊVE KANGAROO PT BRISBANE, QLD

Mon Rêve—'My Dream'—is a riverfront luxury development in Brisbane's inner suburb of Kangaroo Point.

The two 11-storey apartment towers house 32 units in two and three bedroom layouts. In addition there are four lavish river sub-penthouses and four two-level villas on the riverfront, and spectacular sky penthouses atop each tower.

Mon Rêve's north east aspect and location allowed the design to include exceptional city and river views, with features such as large, sweeping balconies, a nine-berth marina, riverside terraces, lap pool, spa and gymnasium.

The project was designed by the Buchan Group for Tom Dooley Developments and was completed in late 2004.
